VANTAGE SG

Climb higher.

DSC NUS is an **inclusive** community, **nurturing** learners of technology to **engage** and **impact** communities.
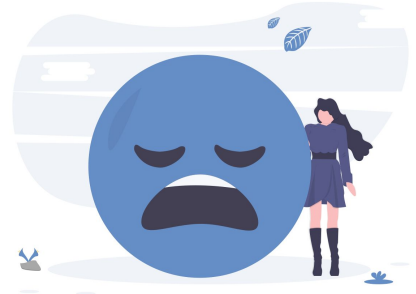

Our **Vision**

7 out of 10

Youths think the education they receive
does not prepare them to join the workforce

StraitsTimes, April 2019

The Problem

- Limited worldview results in poor decision-making & choice of idle lifestyle
  - Youths who want to be reintegrated in society
    - Feel unprepared for working force
    - Lack resources and equipment

Problem Statement

How can we better uplift youths to gain greater access to career opportunities?

Market Size

1.8 Billion
Youths Globally

510,714
Youths in Singapore

20,100
Youths Not Employed, Education or Training in Singapore

The Solution

An intuitive **career-readiness platform** for first time youths ages 16-24 intuitive start with their resume

Bite-Sized Question

▸ Typeform format

**Speech-to-Text Option**

▸ Easier way to input information

Multimedia Alternative

▸ Better way to showcase themselves

Our Value

For Youths

1. Guided resume builder crafted to suit first timers
2. Assists in career exploration & discovery
3. Better decision making and broader worldview

For NPOs

1. Supplement current mentorship programs
2. Standardize personal grooming workshops

The Vision

To empower all youths to seamlessly transition into the workforce

Resume Builder

- ▸ Guides resume creation
- ▸ Customizable personal information

Shared Knowledge Space

- ▸ Basic industry information for better informed decisions

Resource Hub

- ▸ Consolidated NPOs contact information

Acquisition Strategy

- Partnerships
- Word of Mouth Referrals
- Email Marketing

Key milestones

| Dec 2019 | Jun 2020 | Sept 2020 | Dec 2020 |

Market Validation

To interview disadvantaged youths and employees

Prototyping & Testing

To execute pilot testing and additional user research

User Adoption

To improve end user adoption rate

Our Goal

Get at least 3 NPO partnerships to integrate platform into program curriculum

Our Partners & Advisors

In pursuit of our mission, we are honored to be collaborating and receiving guidance from…
